During my participation in the 52nd International Physics Olympiad (IPhO 2022) taking place between 10 July and 17 July 2022, I understand that my picture and/or voice may be recorded by any means of photography, filming, screenshot, etc.

I am aware and agree that those recordings might be used to promote the IPhO 2022 (internet, newspapers, radio, television, social media, etc.) and/or for legal purposes, including but not limited to fraud prevention. Any material will not be used outside of the scope of the IPhO 2022.

I hereby grant the IPhO 2022 organizers the rights to use the mentioned pictures or sounds for communication strictly related to the IPhO 2022 and renounce any interest derived from the use of that material, such as e.g. royalties, proceeds or other benefits.

By signing this form below, I agree to the aforementioned rules. If I disagree, an email must be sent to contact@ipho2022.com with the title *IPhO 2022 – photography consent [Country]*, where the consent is explicitly not given.
